

Touch my body tender  
'Cause the feeling makes me weak  
Kicking off the covers  
I see the ceiling while you're looking down at me

*chorus*

How can we go back to being friends  
When we just shared a bed?  
How can you look at me and pretend  
I'm someone you've never met?

It was last December  
You were layin' on my chest  
I still remember  
I was scared to take a breath  
Didn't want you to move your head

*chorus*

How can we go back to being friends  
When we just shared a bed? (Yeah)

How can you look at me and pretend  
I'm someone you've never met?

*bridge*

The devil in your eyes  
Won't deny the lies you've sold  
I'm holding on too tight  
While you let go  
This is casual

*chorus*

How can we go back to being friends  
When we just shared a bed? (Yeah)  
How can you look at me and pretend  
I'm someone you've never met?  
How can we go back to being friends  
When we just shared a bed? (Yeah)  
How can you look at me and pretend  
I'm someone you've never met?

*outro*

I'm someone you've never met (Yeah)
