

# DREAM AS ONE

MILEY CYRUS  
LYRICART COLLECTION

---

Our love will never fade away  
We're diamonds in the dark  
I put my head against your chest  
And listen to your heart

## PRE-CHORUS

'Cause you are my home  
No matter where I go  
Never alone  
'Cause somehow I always know

## CHORUS

Even through the flames  
Even through the ashes in the sky  
Baby, when we dream, we dream as one  
Every time I breathe  
It's a song to keep this love alive  
I know when we dream, we dream as one  
I know when we dream, we dream as one

So beautiful when we're together

Like feathers on a wing

Riding right beside me

We're two arrows in the wind

**P R E - C H O R U S**

'Cause you are my home (My home)

No matter where I go

Never alone (Alone)

I've never been afraid to let you know that

**C H O R U S**

Even through the flames

Even through the ashes in the sky

Baby, when we dream, we dream as one

Every time I breathe

It's a song to keep this love alive

I know when we dream, we dream as one

**BRIDGE**

Dream (Dream, dream, dream, dream)  
Dream (Dream, dream, dream, dream, dream)  
Dream (Dream, dream, dream)  
Dream (Dream, dream, dream)

**CHORUS**

Even through the flames  
Even through the ashes in the sky  
Baby, when we dream, we dream as one  
Every time I breathe (I breathe)  
It's a song to keep this love alive (Love alive)  
I know when we dream, we dream as one (Oh, one)

**OUTRO**

Every time we dream, we dream as one  
Every time we dream, we dream as one
