

We were fire, impossible to tame
Like oil in the ocean, no way to put out the flame
We were just running, eyes closed in the dark
Headed for the wall, full speed
Oh, it's about to leave a mark

Oh, and it was freedom, you hold me, I scream your name
Through all of the madness, I take the blame
And I
And I

I only want you when you're gone, gone, gone
Playin' like we're done, done, done
I love your game
Drive me insane
I only want you when you're gone, gone, gone
Playin' like we're done, done, done
I love your game
Drive me insane

I only want you when you're—
I only want you when you're—
I only want you when you're—
I only want you when you're gone

We loved a lot, yeah, like a moth to a flame
But I knew that it was something special from the start
Had that good, bad lovin' in my heart
And now I need a sequel to the movie that we made
I'll keep on runnin' the scenes, all this acting reckless
All this love, that love and pain

I only want you when you're gone (Gone, gone)
Playin' like we're done, done, done (Done)
I love your game
Drive me insane
I only want you when you're gone, gone, gone (Gone)
Playin' like we're done, done, done
I love your game
Drive me insane

I only want you when you're— (I want you when)
I only want you when you're gone (I want you when—)
I only want you when you're gone (I want you when—)
I only want you when you're gone (I want you when—)

I only want you when you're gone (Gone, gone, gone)
I only want you when you're gone (Done, done, done)
I only want you when you're gone (Gone, gone, gone)
Want you when you're gone, oh-oh (Done, done, done)

I only want you when you're gone
You I know I love to scream your name
I love your game (Game)
Drive me insane (Oh)
I only want you when you're gone (Gone)
