

*intro*

Talk to me, talk to me

Talk to me, talk to me

Hm

Looks like we're making up for lost time

Need you to spell it out for me

Bossa nova on all night

It's like a type of alchemy

Introduce me to your best friend

I can come and slot right in

A satellite ain't even that far

I, I kinda wonder where you are

*pre-chorus*

Already know I can't leave it alone

You're on my mind, mm

Already gave you the time and the place

So, don't be shy

*chorus*

Just come be the man I need  
Tell me you got something to give, I want it  
I kinda like it when you call me "Wonderful"  
Whatever the type of talk it is, come on then  
I gotta know you're meant to be the man I need

Talk to me

Talk to me

Mm, talk to me, talk to me  
Be the man that I need, baby  
Talk to me, talk to me  
Be the man that I need, need, need  
Mm, talk to me, talk to me  
Be the man that I need, baby  
Talk to me, talk to me  
Be the man, man, man, man

I'd like to think you feel the same way  
But I can't tell with you sometimes

So, baby, let's get on the same page  
Stop making me read between the lines

*pre-chorus*

Already know I can't leave it alone  
You're on my mind, mm  
Already gave you the time and the place  
So, don't be shy

*chorus*

Just come be the man I need  
Tell me you got something to give, I want it  
I kinda like it when you call me "Wonderful"  
Whatever the type of talk it is, come on then  
I gotta know you're meant to be the man I need  
Talk to me, talk to me  
Talk to me, talk to me

Mm, talk to me, talk to me

Be the man that I need, baby (Be the man)

Talk to me, talk to me

Be the man that I need, need, need

Mm, talk to me, talk to me

Be the man that I need, baby (Be the man)

Talk to me, talk to me

Be the man, man, man, man, man

*outro*

Mm

Mm-mm, mm-mm, mm

Mm-mm, mm

Mm-mm, mm-mm, mm-mm, mm-mm, mm
