

# MERRY CHRISTMAS

ED SHEERAN  
LYRICART COLLECTION

---

Build the fire and gather 'round the tree

Fill the glass and maybe come and sing with me

So kiss me under the mistletoe

Pour out the wine, let's toast and pray for December snow

I know there's been pain this year, but it's time to let it go

Next year, you never know

But for now, Merry Christmas

We'll dance in the kitchen while embers glow

We've both known love, but this love we got is the best of all

I wish you could see you through my eyes, then you would know

My God, you look beautiful

Right now, Merry Christmas

The fire is raging on

And we'll all sing along to the song

Just having so much fun

While we're here, can we all spare a thought for the ones who have gone?

Merry Christmas, everyone

Ah

Ah

So just keep kissin' me under the mistletoe

Pour out the wine, let's toast and pray for December snow

I know there's been pain this year, but it's time to let it go

Next year, you never know

But for now, Merry Christmas

We'll dance in the kitchen while embers glow

We've both known love, but this love we got is the best of all

I wish you could see you through my eyes, then you would know

My God, you look beautiful

Right now, Merry Christmas

I feel it when it comes

Every year helpin' us carry on

Filled up with so much love

All our family and friends are together where we all belong

Merry Christmas, everyone

Ah

Ah

Ah

Ah

It's Christmas time for you and I (Ah)

We'll have a good night and a Merry Christmas (Ah)

It's Christmas time for you and I (Ah)

We'll have a good night and a Merry Christmas (Ah)

It's Christmas time for you and I (Ah)

We'll have a good night and a Merry Christmas (Ah)

It's Christmas time for you and I (Ah)

We'll have a good night and a Merry Christmas time
