

No, that, no, that, no, that (Disco)

Ex on the line, just as I suspected

No one really gets over me

I'm unaffected, why would you try to ever put me second?

You just another groupie to me now

I'm out here single, and I need somethin' real

Now I got standards, give a fuck how you feel (Fuck how  
you feel)

I'm out here single, tell me what's the deal

Now I got standards, give a fuck how you feel

No broke boys, no new friends

No broke boys, no new friends

No broke boys, no new friends

(No, that, no, that, no, that, no, that)

No, that, no, that, no, that, no, that

No broke boys, no new friends

I'm that pressure, give me my tens

Ain't no lie, ain't no shade  
Fuck on me, then you know he paid  
Looks so good, makes no sense  
Badass bitch, with my badass friends  
No broke boys, ain't no shade  
Fuck on me, then you know he paid
