

느껴봐, something in the air tonight

빛이 나 다신 오지 않을 이 순간

붙잡고 애써봐야, time is passing by

Let it go, we gon' lose the track of time

Put your hands up, party, 해 뜰 때까지 다 move

Body, body, all day, better make some room

여기로 모여, that roller coaster

Ready to go, yeah, yeah, yeah, yeah

뜨겁게 더 risin', heat it up, 가빠지는 숨

Everybody, all day, better make some room

여기로 모여, that roller coaster

Ready to go, yeah, yeah, yeah, yeah

One more time

Wanna get lost in the ni-ni-night

틀어줘, song that I li-li-like

Come on, just dance with me now, dance with me now

미쳐봐

마지막인 것처럼 one last time

Finally here, I'm ali-li-live
Come on, just dance with me now, dance with me now (What's up, pretty?)

I found you looking for a man in your life (Life)
You told me love's a drug (Drug)
I'm pickin' you up, we 'bout to get drunk
Let me cater to you tonight (Tonight)
See you in my frame
This Cartier can't handle you 'cause your light is too bright
하면 하는 내 성격은 impulsive
Verse가 끝나기도 전에 we're dancing in the light
Like this, swing it left to right
우린 합을 맞추지
She call me papi, yeah, I like it
할래 너와 나쁜 짓
We're too legit
보고 배워 우리 둘의 fit (Yeah)
They can't counterfeit
어딜 가든 튀지 미친 synergy

Put your hands up, party, **해 뜰 때까지 다** move

Body, body, all day, better make some room

여기로 모여, that roller coaster

Ready to go, yeah, yeah, yeah, yeah

뜨겁게 더 risin', heat it up, **가빠지는 숨**

Everybody, all day, better make some room

여기로 모여, that roller coaster

Ready to go, yeah, yeah, yeah, yeah

One more time

Wanna get lost in the ni-ni-night

틀어줘, song that I li-li-like

Come on, just dance with me now, dance with me now

미쳐봐

마지막인 것처럼 one last time

Finally here, I'm ali-li-live

Come on, just dance with me now, dance with me now

On replay (Replay)

Baby, play it one more time, I might just stay, yeah (Stay, yeah)

눈빛으로 말해, ain't gotta say it
Feel the tide, yeah (Tide), 파도 위에
Wait, you sure you could keep up?

One more time, one more time
One more time to the ni-ni-night
틀어줘, song that I li-li-like
Come on, come on, dance with me now, dance (You sure you could keep up?)

One more time, one more time
One more time to the ni-ni-night
틀어줘, song that I li-li-like
Come on, come on, dance with me now, dance with me now
