

SO EASY (TO FALL IN LOVE) *Olivia Dean*

My Songbook

I could be the twist, the one to make you stop
The icing on your cake, the cherry on the top
There's Heaven in my heart, and we could find you some space, mm
I could be the world to you, the missing piece
The extra sentimental kind of chemistry
Some people make it hard, with me, that isn't the case

chorus

'Cause I make it so easy to fall in love
So, come give me a call, and we'll fall into us
I'm the perfect mix of Saturday night and the rest of your life
Anyone with a heart would agree
It's so easy
To fall in love with

The way I do my hair, the way I make you laugh
The way we like to share a walk in Central Park
I could be fresh air, might be the girl of your dreams (Dreams, dreams, dreams)
There's no need to hide if you're into me
'Cause I'm into you quite intimately

And maybe one night could turn into three

Well, I'm down to see

chorus

'Cause I make it so easy to fall in love

So, come give me a call, and we'll fall into us

I'm the perfect mix of Saturday night and the rest of your life

Anyone with a heart would agree

It's so easy

To fall in love with me

bridge

(Me, me)

Me (Me, me)

Me (Me, me)

Me (Me, me)

It's so easy (Me, me)

It's so easy (Me, me)

It's so easy (Me, me)

Yeah (Me, me)

chorus

So easy to fall in love
So, come give me a call, and we'll fall into us
I'm the perfect mix of Saturday night and the rest of your life
Anyone with a heart would agree
It's so easy
To fall in love with me
