

I said ooh-ooh
Come on, baby, turn the lights off
Ooh-ooh
'Cause it's getting late
I said ooh-ooh
I know you're gonna try to hang tough
Ooh-ooh
You shouldn't hesitate

I had love to burn
You had a wounded heart
Eyes across a crowded room
Should we let this start?

I said ooh-ooh
Come on, baby, turn the lights off
Ooh-ooh
'Cause it's getting late
I said ooh-ooh
I know you're gonna try to hang tough

Ooh-ooh
You shouldn't hesitate

Come on, baby, turn the lights off (Come on, baby, turn
the lights off)
Ooh-ooh

'Cause it's getting late (Lights off, yeah)

I said ooh-ooh

I know you're gonna try to hang tough (Come on, baby, turn
the lights off)

Ooh-ooh

You shouldn't hesitate
