

One, two, three, pew

겨우 몇 잔에 벌써 you gon' pass out  
All in my face like you wanna start 패싸움  
말 섞지마, 빛이 보여, I don't waste time  
예쁜 여자라도 할 말은 이따 FaceTime  
그나저나, all day where the hell you at  
이태원역에서 모이기로 해  
We ain't even famous and nothing's gon' tame us  
우리끼리 놀 건데 뭐가 위험해

I'm at where I'm at, where you at? (Where you at?)  
대충 입어 데리러 갈게  
어디라도 we can run away  
They can never keep up, that's a fact (That's a fact)  
We be at the cockpit  
I feel the rush, ain't nothing gon' top this  
Get it how you want it  
Pull up and tell me who really run this

Friends, where you at (Where you at)  
오늘 밤 we 'bout to run it back (Run it back)  
It's on me (It's on me), say less (Say less)  
내가 하는대로 따라하면 돼  
A-D-P (A-D-P), where we at (Where we at)  
우리 왔다고 다 소문내 (소문내)  
Where my friends (Friends), where you at (Where you at)  
내가 먼저 갈게 따라오면 돼  
  
When I enter, 시작돼 이 밤이  
만만하진 않을 거야, try me  
Send ma merci to those askin' who's she  
Bet my name tatted on his brain by 두시 (Annie)  
내 노래가 나올 때 날 찾지 마라  
I'll be on your girl's lap poppin' every bottle, I ain't even paid  
튀고 싶어 안달난 저 언니처럼  
오늘만큼은 특별한 누가 아니어도 돼  
  
I'm at where I'm at, where you at? (Where you at?)  
대충 입어 데리러 갈게

아마 기억 못해 we gettin' messy

네가 누군데, bruh? Don't test me

부어 내가 둘로 보이면 부를게 taxi

이건 태어날 때부터 타고난 거  
하루만 살 것처럼 be fun  
밤만 되면 we're dumb  
눈 감을 때까지 tonight is not done (Ow)
