

I know you think that I shouldn't still love you or tell you that

But if I didn't say it, well, I'd still have felt it

Where's the sense in that?

I promise I'm not trying to make your life harder

Or return to where we were

chorus

But I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I know I left too much mess and destruction

To come back again

And I caused nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "it's over"

Then I'm sure that that makes sense

chorus

But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be

bridge

And when we meet
Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on

chorus

I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door

I'm in love and always will be
